

ABOUT THE MEDICAL CATEGORY TOWER SERVICE PROVIDERS

DHL

DHL is the leading global brand in the logistics industry. Our DHL family of divisions offer an unrivalled portfolio of logistics services ranging from national and international parcel delivery, e-commerce shipping and fulfilment solutions, international express, road, air and ocean transport to industrial supply chain management. With about 350,000 employees in more than 220 countries and territories worldwide, DHL connects people and businesses securely and reliably, enabling global trade flows. With specialised solutions for growth markets and industries including technology, life sciences and healthcare, energy, automotive and retail, a proven commitment to corporate responsibility and an unrivalled presence in developing markets, DHL is decisively positioned as “The logistics company for the world.

HST

HST is a joint venture made up between DHL Life Sciences and Healthcare and Vizient Inc.

- DHL is the leading global brand in the logistics industry. Our DHL family of divisions offer an unrivalled portfolio of logistics services ranging from national and international parcel delivery, e-commerce shipping and fulfilment solutions, international express, road, air and ocean transport to industrial supply chain management. With about 350,000 employees in more than 220 countries and territories worldwide, DHL connects people and businesses securely and reliably, enabling global trade flows. With specialised solutions for growth markets and industries including technology, life sciences and healthcare, energy, automotive and retail, a proven commitment to corporate responsibility and an unrivalled presence in developing markets, DHL is decisively positioned as “The logistics company for the world.
- Vizient is the largest healthcare performance improvement company in the United States, providing insights into clinical, operational and supply chain performance to empower hospitals to deliver exceptional, cost-effective care. Over the past 10 years, Vizient has worked with the NHS across a broad range of process improvement, supply cost management and quality improvement projects.

CPP

The CPP is the result of four organisations (see below) working jointly to adapt and innovate in order to better meet the needs of the NHS. Joint collaboration enables the CPP to employ the collective expertise of each organisation, facilitate aggregation and influence the market to change the procurement landscape to deliver better outcomes for the NHS. Utilising combined skills, specialisms and experience, the partnership works closely with NHS and clinical stakeholders in particular, to understand their needs and expectations, tailoring the approach in developing bespoke solutions to ensure quality, cost and value.

CPP are made up of four NHS procurement hubs as follows:

- NHS Commercial Solutions.
- NHS North of England Commercial Procurement Collaborative.
- East of England NHS Collaborative Procurement Hub, and
- NHS London Procurement Partnership
